

Campership Fund

Camperships is our term for scholarships to camp. By donating to this fund, you are helping us ensure that no child is turned away due to the cost of attending camp. Each camper that requests funding is offered a minimum of \$50, however many campers require more assistance. Every dollar given to this fund is used to send campers to one of our summer camps or ministry weekends.

General Operating Fund

By donating to this fund, you are supporting the ongoing mission of Westminster Woods. This money essentially helps the camp to thrive. Use of this money is overseen by the Board of Directors and used for program materials, necessary maintenance of buildings, etc. that enables us to operate year round.

Alumni Endowment Fund

This Endowment was established by summer staff alumni to ensure the long-term sustainability of Westminster Woods Campership funding. The goal of this fund, once it is large enough, is to generate camperships using the interest of the fund.

Special Projects

This fund was established as a vehicle for designated giving to specific on-site projects. Donations to this fund should be previously discussed with a staff member.
